THE GIRAFFE CENTER TOUR

The Giraffe Center Tour explores the Giraffe Centre located at Lang'ata, approximately 20 kilometers from Nairobi city center, Kenya. The Giraffe Center is a wonderful and refreshing experience undertaken during an excursion in Nairobi.

The Giraffe Centre also known as The African Fund for Endangered Wildlife Kenya (A.F.E.W | Kenya) tour gives a completely up close and personal interaction where guests have the opportunity to view giraffes as well as feed them. The Centre has rescued, hand-reared and released around 500-orphaned giraffes back into the wild since opening in 1979.

The Giraffe Center is open daily and the majority of your entrance fee goes toward supporting the important efforts of the organization. For those who want an up, close and personal wildlife experiences with Rothschild giraffes, we recommends staying at the premier Giraffe Manor, a distinct country home adjacent to the center.
